Gloria,

Could we go ahead and tell him that based on our review, that no remedial action will be required in the dock area and that we will follow up with a formal letter? CAS

Gloria

Do you have any thoughts on how to respond to Mr. Halasz.

Thanks

Brian,

I've called and emailed several times concerning the Barge Dock facility at the Falcon Refinery.
Please provide an update about the EPA's review of the request for No Further Action at the Barge

Dock facility.
